Ordeali-o's

"Johnny, what do you want for breakfast?"

"Mama, I want Ordeali-o's!"

"Wow, Johnny, when did you start eating healthy?"

"Ever since I discovered Ordeali-o's! It's everything I ever wanted in a breakfast cereal and it doesn't even have calories!"

"No calories? Wow! I'm going to eat them too! In fact, I'm gonna eat them for breakfast, lunch, and dinner!"

Do you wanna be strong like Johnny? Do you wanna make it through your ordeal like Johnny? Then you need **ORDEALI-O'S**, the cornerstone of any good breakfast. It's the only thing we'll ever serve at our events.

And you heard Johnny right! It doesn't even have calories!

What even is Ordeali-o's? We're glad you asked.

Ordeali-o's is a heavenly breakfast experience. In each bowl you'll find luscious, squishy we-hin-ay-pays that coincidentally taste like marshmallows. Each carefully coated with a thousand grains of sugar, individually counted. They float gently beside their brethren, whole grain O's and A's. They stand out in their vibrant shades of red and green. Once you take a bite, you'll never want to go back. They begin to dance on your taste buds, the sensation of wet, mushy, whole grain cardboard, fresh off the vine. Ordeals will never be the same.

Why wait until August? Put in an order today to experience what breakfast ought to be.

"Hey Johnny! He likes it!"

Not an actual cereal brand. Not responsible for lost or damaged breakfasts.

Patch Design Contest

You have the opportunity to design this Fall Fellowship's Centennial Lodge Flap! The Lodge Flap is the patch all Arrowmen wear on the right breast pocket to signify their membership in our lodge. This particular one will be given out to all who attend this year's Fall Fellowship and Lodge Banquet. It will be an especially important one as it will also be to commemorate our centennial year. This contest is open to all members of our lodge, adult or youth.

Your design must include:

- A Scouting appropriate theme
- Ku-Ni-Eh's totem which is the We-Hin-Ay-Pay (You can represent this with a circle and we can fill it in)
- The Fleur-de-lis
- Three W's
- The Lodge's name and number which is Ku-Ni-Eh 145
- Five or less colors
- In the correct shape (you can use the provided template)

*We will not accept meme or joke designs

You must send your design to our treasurer, Alanna C. at: alannajc06@gmail.com, please also cc cabartlett@cinci.rr.com and terry.aufermann@gmail.com, by August 1st at midnight. It will appear before the Lodge Officers to be judged and then the winner will be announced on August 15th on social media and by email.

The winner will receive:

- 2 Lodge Flaps of their design

- 2 Special Edition Arrow's Path Lodge Flaps

The winner will be presented these prizes during Lodge Banquet (you do not have to be present to win).

Summer Camp

The Summer Camp season is underway! If you've not made it to Camp Friedlander this summer, here's some of the events you can expect.

On Wednesdays we will have our Brotherhood ceremony at 7pm at the Cultural Village. You are eligible for Brotherhood if you've passed your Ordeal at least 6 months ago and have paid your dues for 2022. If you are already Brotherhood or Vigil you are welcomed to watch the ceremony.

During the ending campfire on Friday night there will also be our call-out ceremony where we will recognize all who have been elected to our order but not yet passed the ordeal.

Stay tuned during your week because there will be other activities going on for Arrowmen and if you have any questions find our Camp Chief, Austin Stuckey.

Vigil Nominations

It is now that time of the year where we as a Lodge will once again be selecting this year's Vigil candidates. This honor is comparable to the Eagle award for Scouts. **However, the Vigil Honor is not only for what a person has done, but what they will continue to do for the Order of the Arrow and Scouting.**

For a more detailed description of the Vigil Honor and to submit a nomination for an individual, please visit <https://forms.gle/1XkPfvoZMKgN9xLG8>. Please submit nominations for any Brotherhood member that you feel meet the criteria outlined on the website just mentioned above. Any Lodge member can nominate a candidate for Vigil that is a dues paid Brotherhood member and who has been Brotherhood level for two or more years.

In the past, the vigil selection committee has had issues with nominations being submitted to people and/or locations where they did not get to the selection committee. Therefore, the only nominations that will be accepted are through this electronic website. This virtual form will allow us to easily compile the nominations **and are due by Thursday, July 21st. Any nominations via the old paper form will not be accepted. We are short on time and will not be able to extend the submission time frame so please submit your nominations as soon as possible.**

If you have any questions, please contact Aedhan Scott

Fall Fellowship and Lodge Banquet:

2022 is Ku-Ni-Eh's Centennial year! And with it we will be having an amazing Fall Fellowship! It will be at Camp Friedlander on September 16-18th and is our BIGGEST event of the year!

Sign up below and enjoy a bunch of activities, like:

- Chapters competing in Chapter Olympics
- Our yearly Lodge Banquet with food and awards and your family can attend with you.
- Recognizing Arrowmen with the Order's Vigil Honor
- Lodge elections on Sunday to select our new leadership for the 2022-2023 year!

You can also choose to attend just the Lodge Banquet without going to the rest of the Fall Fellowship, and invite friends and family too.

Join us via the link below and attend our huge centennial Fall Fellowship in September.

Unit Elections

The Lodge has updated the process for how Order of the Arrow Unit Elections will be conducted in the Dan Beard Council in 2022. The changes were introduced at the February Lodge Executive Committee (LEC) meeting and solidified in March . The details can be found on the lodge website: <https://ku-ni-eh.org/unit-election-request/>

Ordeals

We have two ordeals coming up, these will involve service work to tear down camp after summer camp and help prepare for Spook-O-Ree.

August Ordeal will be the 26-28 at Camp Friedlander. And October Ordeal will be the last ordeal of the year on the 7-9 also at Camp Friedlander.

NOAC

We're less than a month from Scouting's largest in-person gathering since the COVID-19 pandemic! Thousands of Arrowmen will gather in Knoxville, Tennessee for the National Order of the Arrow Conference for a week of

training, outdoor activities, and the chance to make new friends and memories that will last a lifetime.

Like a long-anticipated family reunion, it will feel so good to reconnect with each other and celebrate our organization.

You can get in on the fun, too. Although registration to attend in-person is closed, you can still sign up to experience NOAC as a remote delegate.

Remote delegates will receive the same conference memorabilia as in-person delegates and will have access to live training, panel discussions, special events, afternoon activities and each of the nightly arena shows. As a remote delegate, not only will you be able to stream all of the best NOAC has to offer live, you will also have on-demand access to all streaming content.

Remote delegates will also have access to an online community to connect with other delegates experiencing NOAC from home. There will be a conference-wide game for remote delegates, too.

You don't even have to be an Arrowman to sign up to be a remote delegate (but you do have to be a registered member of the BSA). This is a great way to allow family and friends to take part in your big moments at NOAC, whether that's a competition or a special recognition dinner.

This option is great for adult Arrowmen who were unable to get time off work to attend, parents of Arrowmen or Arrowmen who aren't able to attend because of school or an internship. The cost to attend NOAC as a remote delegate is just \$75.

Remote delegate registration is open now and will be available through the conference. You can register through the [National OA Event Registration System](#).

Communications

The Lodge Communications Committee needs help. There are multiple committee positions for youth to fill, ranging from taking photos to coordinating social media accounts. All people of any skill level are welcome. Adults with a passion for Communications are encouraged to volunteer.
