Portable Fire of Cheerfulness

Have you stepped outside recently and felt the cool breeze? Perhaps some leaves blew by in their shades of amber and crimson. The chill may have caused you to tie your scarf a little tighter. In these colder months, you'll need a brighter fire. You need... Ku-Ni-Eh's Portable Fire of Cheerfulness!

It comes in a zippered pouch with a snazzy shoulder strap, ankle strap, attaches to a carabiner, and can conveniently fit in your pocket. It has three settings, Ashes, Campfire, and Bonfire, along with the un-tested Inferno Mode (Warning: not responsible for lost or damaged eyebrows). Want to keep it warm inside your tent? Now you can (Warning: This may result in tent combustion. Not responsible for tent combustion)! Need to cook in a canoe? Yes, you can (Warning: This may result in canoe combustion. Not responsible for canoe combustion)! Your food got a little cold? Now you can even reheat it in the dining hall (Warning: This may result in dining hall combustion. Not responsible for dining hall combustion)! The perfect gift for any chilly friends (Warning: This may result in, you guessed it, friend combustion. Yeah, we're not responsible for that either)!

It's safe, we tested it. 99% sure.

As we go into these coming long, winter nights, picture you settled down in your campsite toasting some nice, warm s'mores. Just you, the night sky above you and your Portable Fire of Cheerfulness.

Stay tuned for our next products: The Scant Food Sized Mess Kit, The Multi-Marshmallow Stick of Brotherhood, and the Multi-Tool Shovel of Service!

There will not be an opportunity for Brotherhood at October Ordeal, but we will start up again coming the April Ordeal on April 21-23 2023!

Also, if you did Brotherhood over the summer and have not received a Brotherhood sash, please submit a message on Ku-Ni-Eh's website at <https://ku-ni-eh.org/contact/>

Haunted Fellowship:

On October 29th-30th we will have Haunted Fellowship! This will be a fun weekend of brotherhood and service. Feel free to come in costume as we will have a costume contest alongside other fun activities! (Please keep in mind Scouting's rules when it comes to costumes, nothing too revealing or gory) After the fun on Saturday, we will go and volunteer at Spook-O-Ree and then Sunday morning we'll help to tear down the decorations. We'd love to see you there!

Fall Fellowship and Lodge Banquet:

We had an awesome time at the 2022 Fall Fellowship! Some of the highlights include:

- A Camp-wide Scavenger Hunt
- Nine-Square
- Archery
- Branding
- A Patch Design Seminar
- Human Bingo

We also held a service project cleaning brush away from our Ceremony Ring and are pleased to announce that you can now see the lake again! Thank you to all the brothers who offered cheerful service!

And of course, we had our annual Lodge Banquet! It was a great opportunity for everyone to come together and celebrate all that Ku-Ni-Eh has accomplished this past year. We had both our Section Chief John Hutchison and National Chief Tim Riess attend as our virtual guest speakers and the Supreme Chief of the Fire, Andy Zahn attended and shared in our celebrations.
