Ku-Ni-Eh Condiments

The Camping Season is once again coming around and with it comes many failed attempts at cooking. It's okay, we understand, we're here to help with Ku-Ni-Eh Condiments.

We have Honey-suckle Honey (there's plenty, it's everywhere), Lake Salt (think sea salt, but local), Rust Ketchup (sourced directly from the highest quality rusted canoes) and Dining Hall Chocolate Cottage Cheese (it was just chocolate milk last summer).

Everything tastes better with Friedlander on it! Pre-order now and get a Ku-Ni-Eh Slow Cooker (we wanted Crock Pot but that was taken). So you can cook your eggs at the Crock of Dawn, or you know, the slow cooker of dawn.

Elangomats:

Hello Ku-Ni-Eh Lodge!

As many already know, this year the lodge is hosting three Ordeals instead of four this year.

Other than this change, they are in the three-day format instead of the single night format that predated the COVID-19 pandemic. This year's Ordeal dates are: April 21st -23rd, May 5th-7th, and August 25th-27th. In years past the lodge has struggled to find enough Elangomats to staff its Ordeals. Because of this, I cannot stress the importance that Elangomats play in the success of Ordeals enough, as they are instrumental in inspiring and inducting the next generation of Arrowman. As a reminder, the Elangomat is the cheerful guide that leads a crew of elected candidates on their Ordeal weekend; it is a lot of fun, not just in conservation work, but it allows one to recommit themselves to the values of Scouting and the Order of the Arrow. I am looking for experienced Elangomats, servant leaders, ones who successfully tackled their Ordeal in reverent silence, and any or all Arrowman that are willing to develop lasting relationships with existing and new members of Ku-Ni-Eh Lodge! On behalf of the lodge, I invite you to fill out the Google form below to let the lodge know your interest in being an Elangomat this coming year!

National Order of the Arrow Conference

NOAC 2024:

From July 29th-August 3rd, 2024, Arrowmen from around the country will have the unique opportunity to gather together at the University of Colorado Boulder to build ties of brotherhood and grow together as cheerful servants. Thousands of Arrowmen will attend the 2024 conference to share ideas, learn from one another, and most importantly experience an outstanding conference that is unlike any other event in Scouting.

A typical NOAC day consists of the following:

- Breakfast
- Morning Training Sessions
- Lunch
- Afternoon Activities and Special Events
- Dinner
- Evening Show
- Evening Activities and Special Events

The training at each NOAC is world class. Trainers at NOAC are hand selected by conference leadership for their immense knowledge and expertise in a particular subject. Trainers come from around the world to share their expertise so that you may bring information and new ideas back to your home lodge and grow as an individual. Training session topics include leadership, event planning, and ceremony performance, among many others. No matter what you're interested in there is a NOAC training session for you!

Each afternoon, conference participants can choose from a wide array of activities and special events. The National Order of the Arrow museum will be on display showcasing unique historical items that cannot be found anywhere else in the world.

What's one thing scouting is recognized for all over? Adventure. This year expect to see all kinds of activities from climbing to SCUBA diving. Arrowmen can also participate in OA ceremony evaluations to improve their performance and learn from the experts. No matter what your talents there is no shortage of opportunity to showcase them at NOAC.

After dinner, all participants and staff gather at the university's arena for the evening show. These shows are on par with what you would expect on Broadway or the biggest touring concert of the year! These shows will remain as one of your fondest memories of NOAC.

After the evening show, there are many opportunities to enjoy fun, food, and fellowship (not to mention trade your favorite patches!).

After an exciting conference like this, what more can a person do than SLEEP! You are going to need your rest to make sure you don't miss out on all NOAC has to offer.

More details on this experience of a lifetime will be coming soon!

Board of Directors Meeting:

On February 21 Spencer and Lucas went to the Queen City Club to sit in on the board of directors meeting. There Lucas gave a 5 minute speech to open the meeting along with the invocation (included below).

Later in the meeting Spencer was recognized for achieving all three of the highest ranks in scouting Eagle, Summit, and Quartermaster. These three ranks go with three of the programs that scouting has to offer Scouts BSA, Venturing, and Sea Scouts.

Hello, my name is Lucas Bettinger. I am the 2022-2023 lodge chief of Ku-Ni-Eh Lodge. If you aren't familiar with this role, the lodge chief is the Scout who is elected to represent the voices in all the youth of the council. When I was thinking about the ways that I could begin today, the mission statement of Scouts BSA came to mind: "to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law." It is because of you, the people here in this room, that I and thousands of other youths in this council are able to know what those values are in the first place.

Over the course of my 11 years in the Scouts BSA program, and more specifically in the Dan Beard Council, I have seen the effect that scouting has on the over twenty thousand youth in this program through the multitude of opportunities that are offered, such as the Order of the Arrow, National Youth Leadership Training, Camp Staff, and the High adventure programs like going to Philmont Scout Ranch and Northern tier. I have gotten to enjoy all these unique, life-changing, character- building experiences myself. During my time on camp staff, I had the privilege of watching kids get to do activities and learn skills that wouldn't otherwise be accessible to them without Scouting. This is especially true for the youth who do Challenge Camp, a program for youth who live in the heart of Cincinnati for them to learn about the joys of Scouting and, just as importantly, the values that Scouting exemplifies. The Order of the Arrow and National Youth Leadership Training, which are programs that focus on leadership and service to others hold a very special place in my heart. In these programs I have found friends and mentors, and hopefully was able to be a friend and mentor to others as well. Some people might wonder whether Scouting is still relevant to today's youth, whether it offers something that sets it apart from the other things that children and young adults could be doing with their time. I can tell you without a doubt that Scouting is more important today than ever. With the increase in reliance in technology and a slow removal from the outdoors and the virtues this program edifies, Scouting offers a unique opportunity to escape from our world and into a world where the quality of your character is one of the most important things you can offer. Speaking for myself and many others in the scouting community, I know that I can't wait to see what else my scouting journey has to offer, and it is thanks to all of you who contribute to make scouting what it is today. Scouting provides youth with a strong base that will forever impact them. These diverse, powerful experiences build confidence in their skills and prepare them for college, jobs, and life. I would like to thank all of you for your support to enable this program to continue functioning and helping the youth.

Fundraising in progress:

Ku-Ni-Eh Lodge Trail Crew is building trailhead kiosks to mark starting points of the We-Hin-Ay-Pay Trail. There will be two kiosks built, one at Camp Friedlander in front of the Camp Office and one at the entrance to Cub World. Each will communicate trail information for units on how to hike the trail, acquire recognition, and provide a little bit of history.

These kiosks are the next phase in the trail program at the Dan Beard Scout Reservation. They will be entirely funded by members of the Ku-Ni-Eh Lodge. The estimated cost is \$5000. Any funds left over will be used to beautify the fence near the Camp Friedlander Office.

We have the volunteers lined up to make this happen. The goal is to have the Kiosks in place by the end of the Ordeal Weekend. Give to this fundraiser to help make this happen.

This will benefit scouts well into the future. This is a great opportunity to make a difference at your council camps.

All donors at the \$100 level or above will be eligible for recognition. (Donors will be contacted with more details.)

Facebook takes care of the donation processing with no fees.

Donations can also be made by check. Please reach out to the lodge for instructions.

Winter Fellowship Recap:

We had Winter Fellowship on February 18th, and with an attendance of 71 people that makes this the largest fellowship event since the beginning of the pandemic! Along with this milestone, we played games like Giant Candyland, an obstacle course in the Eagle's nest, learned beadwork, rented a Kona Ice truck, and had a cake baking and decorating contest!

But even with the success of Winter Fellowship, there's always room to improve. So we invite you to take just a few minutes to fill out this Google Form, because the important feedback and information you can give us can help us be sure that our future fellowship events will be even better!

Community Service Day:

This year for Community Service Day we will be working with the council on Camp Conservation Day on March 25th 9am-2pm at Camp Michaels. They will be feeding us lunch so if you want food (and be real, who doesn't want free food?) make sure you sign up at: <https://danbeard.org/camp-conservation-days/>. Dress for the weather, bring work gloves, your water bottle, and your cheerful spirit and let's give Camp Michaels the attention it deserves!

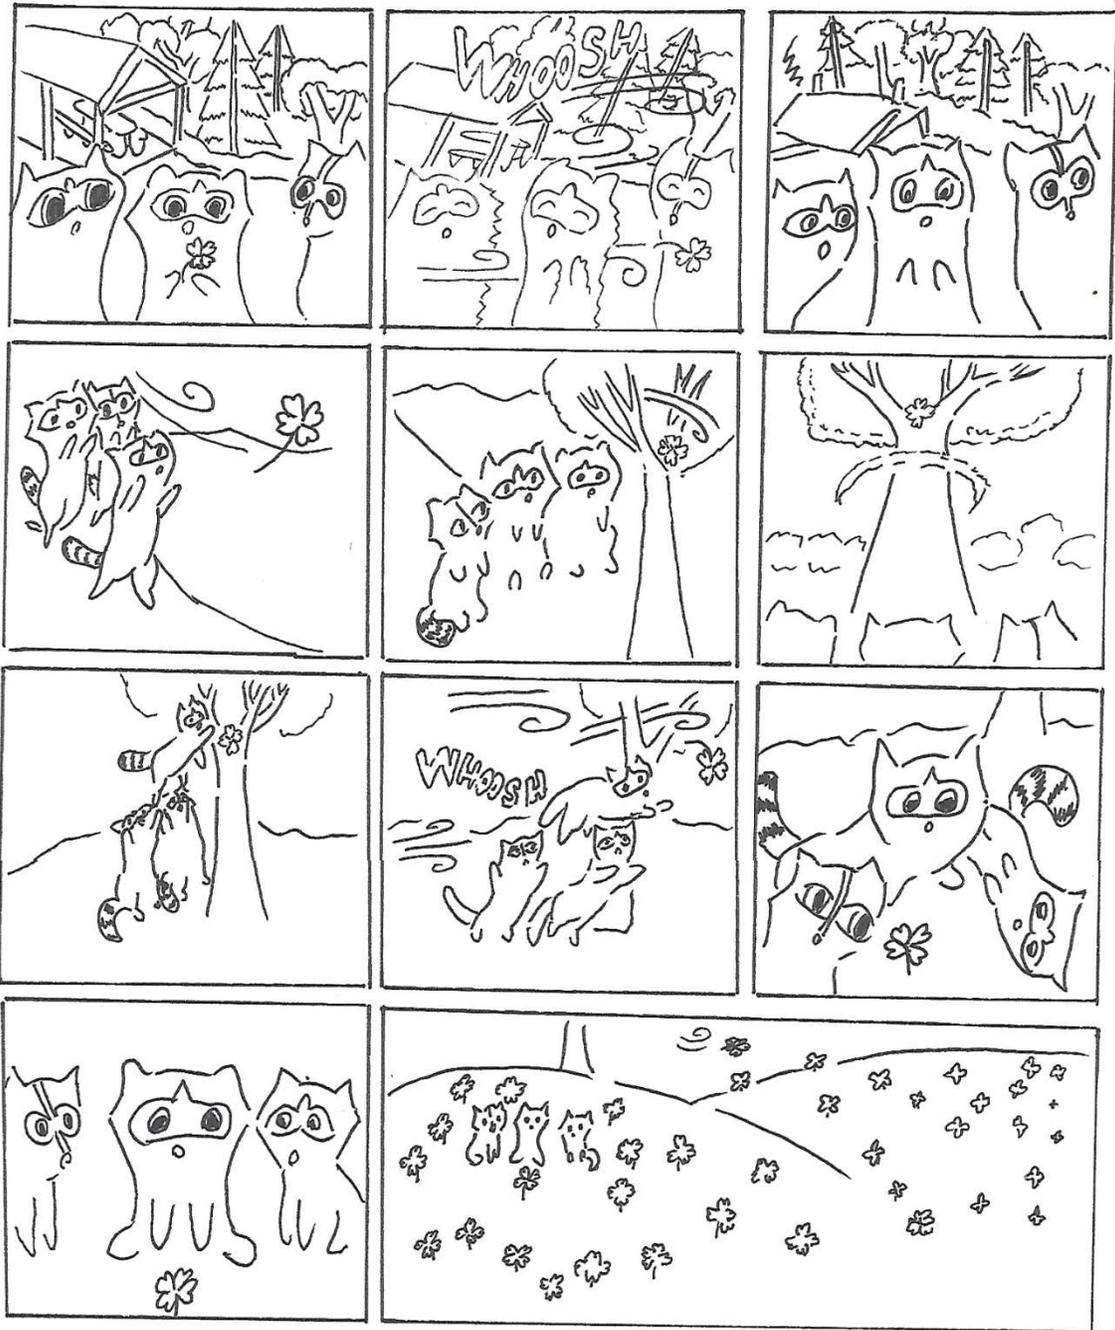

Spirit Stick:

The Ku-Ni-Eh Spirit Stick was started by Patrick C. back in fall of 2018 and recently we brought it back at this past Winter Fellowship. The Spirit Stick is awarded to a chapter at each fellowship event, the winning chapter will then get to put one item on the stick. That chapter will then keep it until the next fellowship event where it will be awarded to the next winning chapter.

At Winter Fellowship was won by East Fork and Trailblazer Chapters that came together and performed a funny skit about a CPR mannequin. Congratulations to East Fork and Trailblazer!

Of All The Luck

Donna C. C. C.

May you find all the four leaf clovers at camp!
