## Ceremonies

Hi, my name is Donnigan and I'm going to be your Ceremony Chairman for this next year! The Ceremonies Team memorizes scripts, practices regularly as a team, and executes ceremonies at every ordeal. If you're interested in ceremonies please contact me and my advisors at [donnigancathcart@gmail.com](mailto:donnigancathcart@gmail.com), [bbroerman@bbroerman.net](mailto:bbroerman@bbroerman.net) and [william.palmer715@gmail.com](mailto:william.palmer715@gmail.com). We'd love to have you on our team!

## Haunted Friedlander

We all love Friedlander, but have you ever heard the *dark* secrets it hides behind its cheerful happy surface?

Like the Hobart, AKA the industrial dishwasher? Have you ever been in the dining hall late at night when the Hobart cries for dishes? Ever heard it's deep sorrowful moaning? It *yearns* for the days when dishes were plentiful. Every day it finds unsuspecting servants to feed it dishes to quench its hunger. Unto this day, the Hobart has been peaceful, but we'll see.

What about The ghostly golf cart? A golf cart, left in the woods, *abandoned*, without sustenance, without purpose. Then legend has it, when it was *struck* by lightning, it opened its eyes, and realized it needed revenge on the *careless* driver that abandoned it. And now it roams the camp at night, searching. *You know who you are.*

Or maybe you've heard of the Slushy phantom? A staff member who ate a slushy every day until he refused to eat anything that wasn't a slushy. It continued until one day, there was no slushy. And then he *lost* it. He screamed, he yelled, he wanted *revenge*. He fled into the forest. No one ever saw him

---

again. But they say that every morning when the Trading post staff come in, the slushy machines are drained, and **cherry** slushy hand prints sit on the wall.

# A Note From The Treasurer

Hello everyone! It's a new LEC and that means new goals for this term! For those of you who may not know me, my name is MacKenzie Specht and I am the Lodge Treasurer. This year, I am focusing on building up the Treasury's 3 main committees: Insignia, Trading Post, and Fundraising. To do this, I need Arrowmen! The Lodge cannot run without the support of every member. Here is my vision for this year:

The Insignia Committee will...

Be composed of at least 3 youth and the adult advisor.

Create a patch for every event this year.

Have a complete set of patches for the 2024-2025 LEC year ready to be approved at the 2024 November LEC meeting.

The Trading Post will...

Be composed of at least 2 youth and the adult advisor.

Become a separate entity of the Lodge and will not subsidize Lodge events.

Grow the online Trading Post.

The Fundraising Committee will...

Be composed of at least 2 youth and the adult advisor.

Bring back the Root Beer Float Sales fundraiser for 2024.

Work with the Lodge to raise money for camp improvements.

Currently, we have open positions for every committee! If you lead a busy life, Fundraising and Insignia may be perfect for you as the work can be done online based on your schedule. If you are looking for

---

an opportunity to get involved in events, the Trading Post is for you as it does require attendance at 90% of events. We are looking for a youth chairman for the Trading Post and Insignia Committee. If you are interested in helping out at all (we need adults as well), please reach out to me at [mackenziespecht.scouting@gmail.com](mailto:mackenziespecht.scouting@gmail.com) or [kunieh145@gmail.com](mailto:kunieh145@gmail.com).

Thank You,

MacKenzie S.

Lodge Treasurer

# National Order Of The Arrow Conference [NOAC]

NOAC 2024

The National Order of the Arrow Conference (NOAC) is the flagship national Order of the Arrow event. It is held every two years at a major university campus and is attended by as many as 8,000 Arrowmen from all 50 states. It is second only to the BSA National Jamboree in size and scope.

What is the National Order of the Arrow Conference?

---

The National Order of the Arrow Conference (NOAC) is an experience unlike any other in the Order of the Arrow, and Scouting in general, with innovative training opportunities in the morning, large-scale activities in the afternoon, and professionally produced evening shows! It is the Scouting event of the year spanning a week at a hosting university campus. This NOAC, thousands of Arrowmen will climb into the Rocky Mountains to the campus of the University of Colorado Boulder from July 29 to August 3, 2024, and we want YOU to join us as we Seek New Heights!

How do we have FUN at NOAC?

NOAC has a ton of different things to do across the week. In the past, there has been a helicopter landing, competitions ranging from ceremonies to a triathlon, patch trading, a conference-wide festival and much more. Exciting activities have ranged from elaborate escape rooms to national basketball competitions, golf excursions, and even professionally produced 5K and triathlon events! However, we have unorganized fun at NOAC as well. Constantly at NOAC Arrowmen from across the country meet, befriend each other and trade both collectible patches and ideas.

How can I gain useful skills at NOAC?

NOAC offers a variety of training opportunities to learn more about leadership, ceremonies, inductions, professional skills, sustainability, and more! These training sessions are developed by talented facilitators and are designed specifically to expand your ability to thrive as an Arrowman, leader and person. They expand your ability to serve your lodge, community and self.

What about these evening shows?

Almost every evening, the entire conference will gather in the largest indoor venue offered by the hosting university for a professionally produced show! NOAC shows hold a high production value with the power to instill the NOAC theme, inspire new leaders in the OA and provide an engaging

experience for all attendees. They are the pinnacle event of each night that displays the scale of our membership and highlights many of the skills and talents within the Order of the Arrow.

How to find out more and register?

We are finalizing the cost and registration details now. To get the latest updates check out the link on the KU-NI-EH webpage: <https://ku-ni-eh.org/national-order-of-the-arrow-conference/>

What should the KU-NI-EH Lodge theme be for NOAC 2024?

Help us decide what the theme should be for the KU-NI-EH Lodge NOAC 2024 Contingent!

Lodges produce patches for NOAC, often with a theme, as a fun way to promote their Lodge. It is always a competition to see which Lodge will have the best idea/design and the most sought after patches. It can be something funny or cool. It can be related to the NOAC theme or location. Maybe related to something local to the Lodge. The ideas are limitless!

Here is a link to many of the patches Lodges produced for NOAC 2022:  
<https://noacpatchguide.com/patches>

Bring your ideas to the Fall Fellowship and help us pick a theme! Each idea should be on an 8.5"x11" paper and include a brief description why your idea is awesome along with an image (doesn't need to be a master piece of artwork, it can be copied image or a sketch, just so we understand your idea)

Special NOAC 2024 Fundraising Patch

---

A special NOAC 2024 fundraising patch will be available for sale at the Fall Fellowship for \$15. Plan to get one and support the KU-NI-EH Lodge NOAC 2024 contingent.

Which Way? KU-NI-EH!

## Fall Fellowship recap

On September 29th-October 1st, 147 Arrowmen gathered for the biggest lodge events of the year, Fall Fellowship and the annual Lodge Banquet! We held a brotherhood ceremony and an opening campfire on Friday with songs and skits and Saturday was full of so many activities! Some favorites were the patch trading corner, the bouncy obstacle course and the Kona Ice truck, but that wasn't even everything! Other activities included a patch design training, a balloon battle, cookie decorating and RC car races! Saturday evening we came together for the Lodge Banquet, and the awards given to our awesome arrowmen were nothing short of amazing! We are always thrilled to see how much of an impact you all make on our lodge everyday. (see below for awards list) We ended the night with a banquet afterparty with music, glowsticks, and ice cream! Finishing out the weekend on Sunday morning we held our Lodge Business Meeting and Lodge/Chapter Elections.

As the 2022-2023 Vice Chief of Activities, I want to give a big thank-you to everyone who attended Fall Fellowship and also every other event this year!
